# Every kind of wood, under one roof.

Pioneers in manufacturing & marketing across the wooden industry — supplying India's landmark industrial, infrastructure and housing projects for five decades.

JAMNAGAR, INDIA

ONE-STOP WOOD SOLUTION

OUR PHILOSOPHY

# Quality is never an accident.

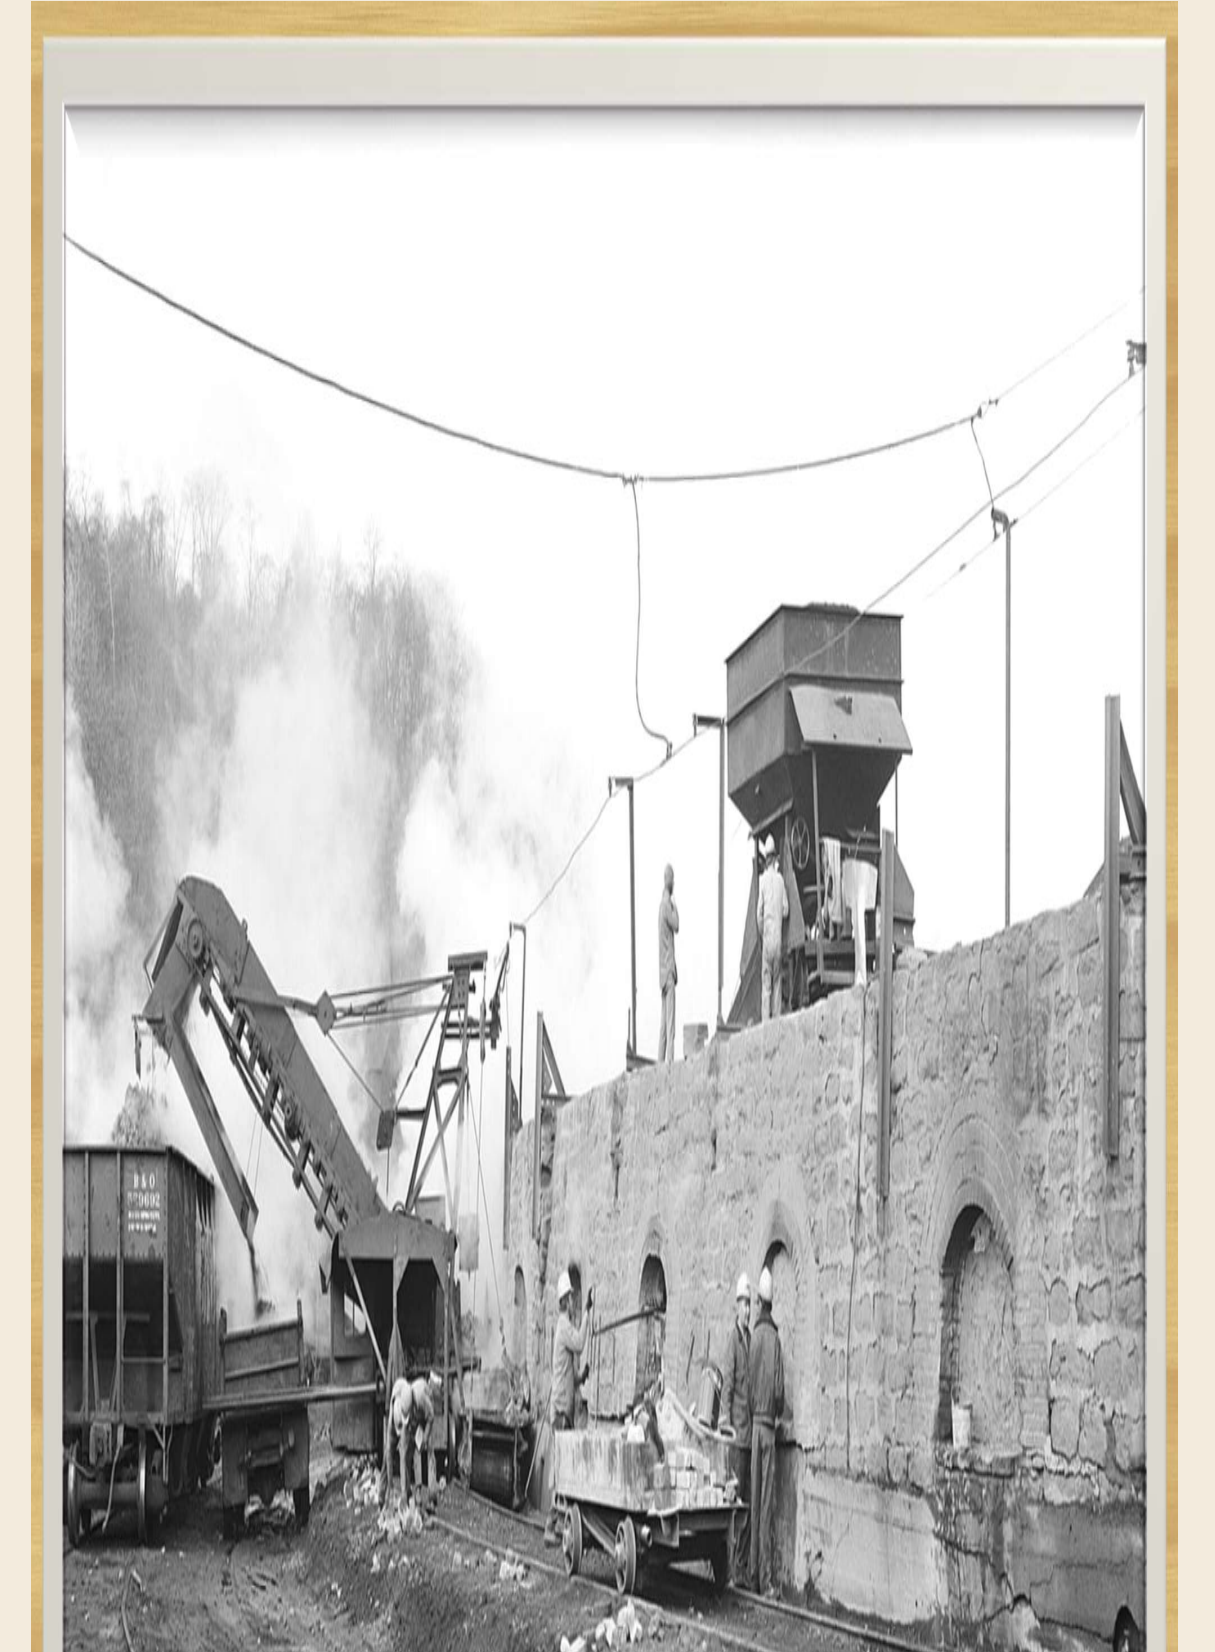

It is always the result of high intention, sincere effort, intelligent direction and skillful execution — the wise choice of many alternatives.

OUR STORY

# 1975

From a regional name to a global ambition.

Since 1975, J.K. Corporation has participated in transforming trends from the regional level to across the globe. We aspire to push design forward and create innovative trends in the market for years to come.

# Pioneers in the wooden industry — one source for every product.

We bring all types of wood-related products under one roof for a one-stop solution. We establish and challenge quality standards through our creations — every product passes rigorous tests under our research team and engineers to meet the highest standards. We continually expand our range with new sizes across all categories, giving customers more choice and options.
